

**KNIGHTS
OF COLUMBUS®**

To Simon Hunt, Director of Celebrate Recovery, First Baptist Orlando;

As a Director of Celebrate Recovery, you clearly understand the needs of a well-organized project or event. Providing help geared towards babies, toddlers, elderly and family. Bringing earthquake relief to Puerto Ricans affected has become a beautiful, but a daunting project for us.

As part of our ongoing commitment to charity, we, the Knights of Columbus Council 13563 Lakeland Florida and Oasis Christian Academy are spearheading what has now become an area-wide relief effort. We would like to provide essential items for babies, toddlers, elderly and families in Puerto Rico that have been victimized by earthquakes.

To transport the donations received, they need to be organized and secured in airplanes. We are requesting your help to achieve this part of the relief effort.

We need:

- Canned Food and dry food.
- Money for airplane fuel and for maintenance.
- Clothes for infants, children's and adults. (new or used)
- Footwear and socks.
- **Medicines and diapers for infants and adults, blankets.**
- Batteries, flashlights, and generators,

Our efforts cannot be achieved without support from our community. The generosity and commitment from a ministry like yours are what will make our efforts to help, during this time of difficulty, a successful one.

Thank you in advance for your support and generosity.

God Bless,
